## **URGENT NOTICE #2**

# **ABSOLUTELY NO OUTDOOR** **WATERING PERMITTED UNTIL** **FURTHER NOTICE**

**ESSENTIAL USE OF INDOOR WATER ONLY FOR THE NEXT  
24 HOURS**

The reservoir has not recovered as expected with the restriction. A patrol of the service area by our Operator revealed that most services addresses were watering their lots despite the URGENT restriction and rain! The restriction is within the scope of Water Tariff No. 4 and compliance with the restriction is mandatory. Any non-compliance is subject to a fine. We will be conducting a regular patrol of the service area while this urgent restriction is on. Anyone using any outdoor water for any reason will be fined.

A pump seal has ruptured on one of our water pumps. The current pumps are not keeping up to the water demand and need time to catch up. Please only use water as ***absolutely necessary*** for the next 24 hours and NO OUTDOOR WATERING until further notice. Your cooperation is essential during this critical period and your understanding is greatly appreciated. We apologize for the inconvenience. Thank you.

Kind regards,

**FAIRMONT HOT SPRINGS UTILITIES**
