

Dear Valued Customer,

We are pleased to inform you that, effective October 1, 2025, all water restrictions in our service area have been officially lifted. You may now resume normal water usage for all purposes, including outdoor watering, car washing, and other activities previously limited by the restrictions.

We greatly appreciate your cooperation and efforts in conserving water over the past months. Your support and understanding have made a significant difference in the sustainable management of our water resources whilst we were dealing with unprecedented issues.

If you have any questions or need further information, please contact customer care at fhswatersewer@customercare.com

Thank you for your continued partnership.

Kind Regards,

Fairmont Hot Springs Utilities.
